## COMPANY PROFILE

## First Door to Dubai

We are very proud to state that "The First Door to Dubai" is made by us. The aluminium & glass works for all the 47 "Passenger Loading Telescopic Bridges" for the Dubai International Airport were done by our company serving as sub-contractor with "FMC International Jetway Systems" during 1999.

<<<<<<<<<.....>>>>>>>>>

- PILKINGTON REFLITE, GUARDIAN, GLAVERBEL, PPG, SAINT-GOBAIN etc.

We provide specialized designs for multistorey commercial and residential buildings as per the specifications of clients or consultants with aluminium, glass and composite panel cladding with cost effective methods.

We provide quality technology solutions for Business houses/showrooms/offices with Automatic Sensor Doors, windows with special effect glasses like stained glass, broken effect, laminated glass with floor machines etc.

Wooden colour doors with stained glass designs, high class main doors with tailor made designs, sandblasted designs for internal doors and windows, special shower enclosures and handrails with design glass.

We provide in house estimation of prices from BOQ / Shop Drawings /Schedules which is achieved by qualified QuantitySurveyors, who reads every detail of the specifications.We understand and foresee your requirement. The in house preparations of drawings for consultants approval, given within minimal time. Prepared on latest programmes, the drawings all done by qualified Draughtsman who can provide it with samples, material specifications and mock-ups. Amendments, changes do not deter us and does not cost time on projects.

To enhance the quality of products and services for building and construction industry with our innovative quality and competitive prices.

At the helm of OBAID METAL & GLASS team is our qualified, experienced and committed management team.

The administrations staffs provides support to the sales and marketing department and are trained to prepare take off sheets from the bill of quantities and consultant specification sheets.

The company provides itself a sales and marketing team to serve and support customers, and furnish them with all relevant information and resolve / clarify all queries.

The company operates with a professional factory trained support team who have undergone extensive, on the job training at various levels of metal & glass system and installation.

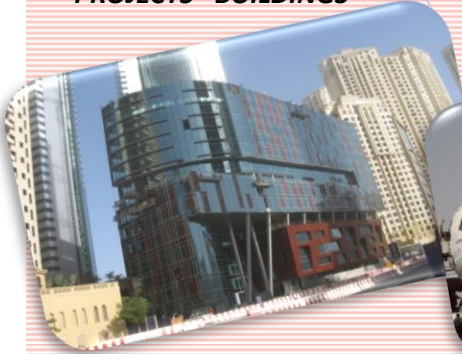

We seek high quality, self motivated people. We strive for a professional participated atmosphere, which offers tangible opportunities for personal satisfaction and growth.

Fax No. 04: 3707272

Dear Sirs,

**PROJECT:** PJ 9200/6 - DUBAI PARK CAVE, GLASS HOUSE AND EXTERNAL WORK

**Subject:** Approval of Sub-contractor  
For Aluminium & Glass Works.

Further to your letter ref. OBE/DM/LET/29/1515B/091116 dated 9<sup>th</sup> Nov 2016 and after meeting the proposed subcontractor, kindly be informed of our 'No Objection' for your proposal to employ M/s. Obaid Metal Glass LLC as a subcontractor in order to carry out Aluminium & Glass works for the above mentioned project.

The above 'No Objection' shall in no-way invalidate any obligation of the Contractor/Consultant under the contract.

This is for your kind information and appropriate necessary action.

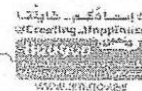

Yours faithfully

ENGR. HAMAD KHALAF AL SABIR
